

February 2016

You are receiving this fundraising request directly from _____ who is a player in the CT Edge Baseball Academy Program and competes on an AAU Travel Team. CT Edge is a travel baseball program focused on young athletes, ages 7-18, which possess a love for baseball and are driven to play at their personal, most competitive level. Players for CT Edge are guided by a team of coaches with a common goal: to support young athletes by teaching the fundamentals of baseball, encouraging the importance of the “scholar” in “scholar athlete”, and establishing standards for behavior as sportsmen and members of a team.

As part of the AAU Travel Team Program, players participate in regular league games as well as out-of-state tournaments. While exciting, the expenses associated with travel can become cumbersome for families of athletes. The family of this athlete respectfully request that you consider sponsoring him as a player at CT EDGE Baseball Academy. Your sponsorship dollars will go directly to the athlete and CT Edge takes no percentage of your donation.

If you are willing to sponsor, please tear off the remittal section below the dotted line and mail to CT Edge along with your sponsorship check. The amount will be credited to the player and the family will be notified of your donation.

Thank you in advance for your consideration.
